CD13 Team,

This is informative: PATH outreach team will be partaking a webinar on 01.13.2016 at 9:00am—12:00pm.

This webinar includes a training for Version 2.1 of the CES packet. It'll definitely be important that each PATH outreach staff remains keen—the old 1.1 & 1.2 versions will no longer be utilized and information will no longer be allowed to enter into HMIS.

The Outreach team looks forward to using Friday (01.15.2016) to set appointments and meet CD13 clients.

If you have any question or concerns, please don't hesitate to call me or re: to discuss any matter.

Sincerely,

Lao Moua, MML

Thanks Lao for the update. We will still need the outreach team to reach out to the encampment locations on Tuesday and leave trash bags letting them know we are coming. Please let me know if your team needs any more bags.

Are there any other Wednesdays PATH will not be able to join us? I know some things just come up at times, but we need to have the Outreach Team join us on Wednesdays, PATH is a key to our outreach. If there is anyone at PATH that can join us on the 13th it would be greatly appreciated.

I'll send locations over tomorrow and any report questions that come up.

Thanks

Good Morning Juan and CD 13 team! We are going to see if any of the Hollywood team are available for support this Wednesday. We will continue to avoid scheduling things on Wednesday. However, it unfortunately depends on LAHSA and when they schedule their trainings. We apologize that it was unavoidable this time but we are also confident that this training will further help our staff connect people to housing resources in the future.

We will let you know if we are able to find coverage for Wednesday. Also, Jenny and Sandi will be coming by today for trash bags. If you can let us know the locations as soon as you know so they can inform the people.

Warmly,

**Darlene Fernandez**

Thanks Darlene.

I know some of these things are out of our control but thank you for working with us. Our team is finalizing some of the outreach targets, but we will be starting again with the main encampments we frequent (Hoover, John St, Juanita, Silverlake Underpass...) Ill get you the schedule shortly.

I will be here all day if/when your team wants to stop by to pick up more bags.

Thank you for all your help.

Talk to you soon.

Sandra Provencial <SandraP@epath.org>

Hi again Juan, and thanks!! Our team was able to stop by and pick up some trash bags. They are crammed full of obligations tomorrow but as soon as you know of the locations, they will see what they can do.

Also, we were unfortunately unable to pull staff from other outreach teams for tomorrow due to the same training. If there is another way we can be of support, please let me know. We should be back in the full swing of things in CD 13 on Friday, January 15<sup>th</sup>.

Take care,

Darlene Fernandez
